The Harvest

First, watch Aaron Abke's video below.

Then, read my writings below.

Indeed. This was why I was here- to balance wisdom (teaching) with healing (compassion) to enter into 6th Density after Earth incarnation- "The final reason is within the mind/body/spirit totality or the social memory complex totality which may judge that an entity or members of a societal entity can make use of third-density catalyst to recapitulate a learning/teaching which is adjudged to be less than perfectly balanced. This especially applies to those entering into and proceeding through sixth density wherein the balance between compassion and wisdom is perfected."

Also to help bring Earth into 4th Density which is our collective purpose. ♥

"make use of third-density catalyst to recapitulate a learning/teaching which is adjudged to be less than perfectly balanced. This especially applies to those entering into and proceeding through sixth density wherein the balance between compassion and wisdom is perfected."....
as a 5th Density wanderer I was guided to bring forth world healing to balance my wisdom with compassion to re-enter 4th Density at the 2nd and 3rd Initiations, and re-enter 5th Density at the 4th and 5th Initiations, and newly enter 6th Density at the 6th and 7th Initiations. Earth seems to have more opportunties for compassion than wisdom in my experience. But it is perhaps a different experience for a 4th density wanderer who needs to learn sovereignty and strong boundaries which are the hallmarks of wisdom. We all have unique paths. ♥

My Gemini sun is the 5th density and Pisces moon is the 4th density. I was naturally skilled at absorbing information which aligns with 5th density, but I had to go through shadow work to move through my Pisces moon to find the missing 4th density pieces for balancing that brought forth healing abilities. Once I aligned sun and moon I was able to reach 4th density and 5th density to recapitulate teachings that needed balancing and now I have finally balanced enough for 6th density wow.
